

VACCINATION REQUIREMENT FOR INCOMING SENIORS!

The State of Illinois requires ALL INCOMING SENIORS to be vaccinated for Meningitis. The law states:

All incoming 12th grade students to provide receipt of receiving 2 doses of Meningococcal Conjugate Vaccine (MCV4) at school entry; the 2nd dose being administrated on or after their 16th birthday. If your student has never received a dose of Meningococcal Conjugate Vaccine (MCV4), only 1 dose will be required on or after their 16th birthday.

Please call your physician's office OR the Peoria County Health Department (679-6655) to schedule an appointment for your vaccination. Proof of the vaccine will be required for your senior year!
